

## Product Datasheet

### Anti-beta-Tubulin Purified GRP11844

<b>Description</b>	The antibody TU-06 recognizes an epitope (aa 81-95) on phylogenetically conserved N-terminal structural domain of beta-tubulin (recognizes all beta-tubulin isoforms) in various species.
<b>Reactivity</b>	Human, Mouse, Rat, Pig, Chicken, Fish, Other, Plant, Paramecium
<b>Tested Applications</b>	ICC, IHC-P, WB
<b>Immunogen</b>	Beta-subunits of porcine brain tubulin.
<b>Concentration</b>	1 mg/ml
<b>Storage</b>	Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.
<b>Note</b>	For research use only.
<b>Isotype</b>	Mouse IgM
<b>Clonality</b>	Monoclonal
<b>Clone ID</b>	TU-06
<b>Uniprot ID</b>	Q9H4B7
<b>NCBI</b>	81027
