

## Product Datasheet

### Anti-beta-Galactosidase (*E. coli*) Purified GRP11850

<b>Description</b>	The antibody BG-02 recognizes a non-catalytic centre epitope of beta-galactosidase from <i>E. coli</i> .
<b>Reactivity</b>	Bacteria, Other
<b>Tested Applications</b>	ICC, WB
<b>Immunogen</b>	beta-Galactosidase purified from <i>E. coli</i> .
<b>Concentration</b>	1 mg/ml
<b>Storage</b>	Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.
<b>Note</b>	For research use only.
<b>Isotype</b>	Mouse IgG1
<b>Clonality</b>	Monoclonal
<b>Clone ID</b>	BG-02
<b>Uniprot ID</b>	P00722
<b>NCBI</b>	945006
