

## Product Datasheet

### Anti-alpha-Tubulin Purified GRP11870

<b>Description</b>	The antibody TU-16 reacts with alpha-tubulin of all tested species, under denaturing and non-denaturing conditions.
<b>Reactivity</b>	Human, Mouse, Rat, Pig, Dog, Plant
<b>Tested Applications</b>	ELISA, ICC, IHC-P, IP, WB
<b>Immunogen</b>	Porcine brain microtubule protein MTP-1.
<b>Concentration</b>	1 mg/ml
<b>Storage</b>	Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.
<b>Note</b>	For research use only.
<b>Isotype</b>	Mouse IgM
<b>Clonality</b>	Monoclonal
<b>Clone ID</b>	TU-16
<b>Uniprot ID</b>	Q71U36
<b>NCBI</b>	7277
