BOVINE IgG F(ab')₂ (RABBIT) Antibody GRP2797

Description	Anti-BOVINE IgG F(ab') ₂ (RABBIT) Antibody
Species/Host	Rabbit
Conjugation	Unconjugated
Tested Applications	ELISA, IHC-P, WB
Form/Appearance	0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2
Concentration	10.0 mg/mL
Note	For research use only.
Isotype	IgG
Clonality	Polyclonal
Source	Bovine IgG F(ab') ₂ fragment
Entrez	1282
Dilution Range	ELISA: 1:20,000 - 1:100,000,Immunochemistry: 1:1,000 - 1:5,000,Western Blot: 1:2,000 - 1:10,000
Application Notes	BOVINE IgG F(ab') ₂ fragment antibody is suitable for ELISA, western blot, and immunohistochemistry, as well as other assays requiring lot-to-lot consistency.
