

## Product Datasheet

# Sheep anti-Herpes Simplex virus, type 2, Polyclonal Antibody, HRP GRP644

|                             |  |
|-----------------------------|--|
| <b>Species/Host</b>         | Sheep  |
| <b>Predicted Reactivity</b> | HSV type 1 titer is 1:512 by indirect immunofluorescence |
| <b>Conjugation</b>          | HRP  |
| <b>Tested Applications</b>  | ELISA, IF, WB  |
| <b>Immunogen</b>            | HSV type 2, strain G (human)                             |
| <b>Note</b>                 | For research use only.                                   |
| <b>Isotype</b>              | IgG  |
| <b>Clonality</b>            | Polyclonal   |
| <b>Dilution Range</b>       | >1:4,000 by indirect immunofluorescence                  |
