

## Product Datasheet

# Goat anti-Herpes Simplex virus, type 1, Polyclonal Antibody, HRP GRP652

|                             |  |
|-----------------------------|--|
| <b>Species/Host</b>         | Goat   |
| <b>Predicted Reactivity</b> | Cross-reacts with HSV, type 2 by indirect immunofluorescence.<br>Does not react with HEp-2 cells |
| <b>Conjugation</b>          | HRP  |
| <b>Tested Applications</b>  | IF   |
| <b>Immunogen</b>            | HSV type 1, strain F (human)   |
| <b>Note</b>                 | For research use only.   |
| <b>Isotype</b>              | IgG  |
| <b>Clonality</b>            | Polyclonal   |
| <b>Dilution Range</b>       | >1:4,000 by indirect immunofluorescence  |
